

PRODUCT OVERVIEW

This rugged champion powers your outdoor adventures and on-the-go work. Bring the comforts of home to the bush and fishing trips, and uninterrupted power to your next handyman job. It's versatile, water resistant, and looks pretty cool too! Best of all, don't stress if it breaks. With your monthly subscription, the lifespan, maintenance and upkeep is our problem, not yours. Ever!

WHY YOU NEED THE VOLTA 700X

By utilising a highly-safe, iron phosphate lithium battery, you can rest assured knowing that your essentials are in good hands. The Volta 700X boasts charging capabilities for up to 12 devices, with further dual charging for the actual unit via two AC Adapters. When equipped with Eco mode, it does not consume any additional power. The best part? You can use your unit as a flashlight by activating the required button, immediately illuminating your surroundings, and providing you with complete visibility.

FEATURES:

-  Water resistance (IP 65 rated)
-  Gives you 537Wh of power
-  Multiple ports
-  Eco mode keeps you going longer
-  Ultra-safe iron phosphate lithium battery
-  Wireless charging

WHAT CAN BE POWERED USING THE VOLTA 700X
